

TV / VIDEO COMBINATION

14 PV 274

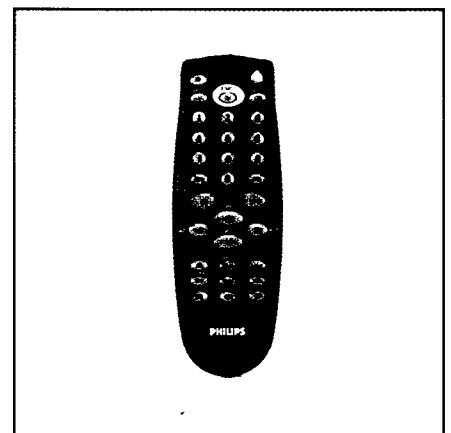

This sleek, all-in-one combi is carefully designed for the user desiring advanced featuring, including ShowView and Teletext, plus the utmost in ease of use, with the two tuners, wrapped in a compact, space-saving package.

From the simple installation (no interconnection wires!) to the ergonomic, single Remote Control and the large, easy to read on-screen information, this combi delivers entertainment without complication.

The Two Tuner concept gives you the freedom to watch one programme whilst recording the other.
